

NOTICE OF PUBLIC MEETING AND
PUBLIC COMMENT PERIOD
DELUXE CLEANERS
DRYCLEANING SITE
WILLIAMSTON, SOUTH CAROLINA

DATE: September 21, 2004

LOCATION: Williamston Town Hall (Pink Room)
12 West Main Street
Williamston, South Carolina

TIME: 7:00 – 9:00pm

The South Carolina Department of Health and Environmental Control (SCDHEC) will hold a public meeting to discuss various alternatives for the cleanup of the environmental contamination resulting from pre-regulated practices at the DeLuxe Cleaners Drycleaning Site. Funding for this cleanup is from the South Carolina Drycleaning Restoration Trust Fund (DCRTF), which is based on monies collected from drycleaners operating within the state. The public meeting will include a short SCDHEC presentation on the Trust Fund, the investigation of the contamination completed to date, and the alternatives that are under consideration.

There is groundwater contamination resulting from underground storage tank leakage, which will be addressed by the Underground Storage Tank Program of SCDHEC. The DCRTF Program proposes No Further Action since there is no drycleaning related contamination at this site. After the presentation, SCDHEC will answer questions from the public and receive input on the Proposed Plan, which is enclosed.

Following the Public Meeting there will be a Public Comment Period from September 21, 2004 to October 21, 2004. During this time questions or comments on the proposed plan may be submitted to Lisa Appel, Project Manager, Federal and Drycleaning Remediation Section, SCDHEC, 2600 Bull Street, Columbia, SC 29201. For additional information on this site, or the public meeting, please call 1-866-DHEC-DRY (1866-343-2379).

If you live in the vicinity of this site, you have received this announcement of the proposed plan and public meeting. Please share this information with your neighbors as we may have inadvertently missed their address. Thanks.
